IMPORTANT INFORMATION ABOUT THE CORONAVIRUS!

Dear Patient,

If you have any of the **following acute symptoms**:

- **cough**
- **shortness of breath**
- **fever**

AND you have been in contact with a person who has been confirmed to have contracted the coronavirus

→ in the 14 days before appearance of these symptoms

OR

→ you have returned from a stay in any of the areas where sustained transmission of the coronavirus must be assumed:

- China
- Italy (the regions Lombardy, Veneto, Piedmont, Emilia-Romagna)
- Iran
- Japan
- Hong Kong
- Singapore
- South Korea

we ask you kindly, **as agreed with the health authorities**:

DO NOT ENTER THE PRACTICE!

**Please return home and call 1450 immediately!
In the event that you are suspected of having contracted the coronavirus, a medical test will be arranged for you.**
